FEMALE STRENGTHENING CORDIAL. This M dicine is of long tried efficacy for cor-

recting all disorders incidental to the female sex. That the afflicted may feel assured that this Cardial is truly valuable and worthy their confidence,-not one of those secret compounds purposed to destroy healthy action, I add a few testimonials from physicians whom all, favoring the Relectic and Reformed Practice of Medicine, re-

Dr WILLARD C. GEORGE, formerly Pro-fessor in the Worcester M dical College, and Pres-ident of the rejectic Medical Society, Mass.,

speaks of it in the following terms:

"I have used the Female Strengthening Cordial
similar to that prepared by Dr. GEO. W. SWEET,
105 Hanover Street, and I regard it as one of the
best medicines for Female Complaints that can be found."

1 r. J. KING, author of "Woman; Her Diseases and their Treatment," says :

"This medicine appears to exert a specific influ-ence on the Uteras. It is a valuable agent in all derangements of the Female Reproductive Or-Dr. E. SMITH, President of the New York Association of Botanic Physicians, says;
"No female, if in delicate health, should omit
the timely use of this valuable Cordial. I owe
much of my success in midwifery to this valuable
Medicine."

MOTHERS AND MARRIED LADIES, The following from Dr. Fay is well worthy your

notice:

"As a general remedy for Female Complaints the Cordial is a very valuable one, but by the Profession it is esteemed more highly for its good results during Confinement in relieving the great suff-ring attendant upon childbirth. I acknowledge with Dr. Smith that much of my success in midw.fery is due to the use of this medicine. It strengthens both mother and child. In such cases I follow the directions of Prof. King, by allowing my patients to use it a few weeks previous to confinement, as by the energy it imparts to the uterine nervous system the labor will be very much facilitated, and removes the Cramps which many females are liable to. No woman, if she knew the great value of this Strengthening Cordial, would fail to use it."

I have received numerous testimonials from different parts of the country where used. Know-ing the good that it is capable of doing, I will war-rant every bottle of my "Cordial" to be satisfactory in its results.

The following symptoms indicate the affections in which the Female Strengthening Cordial has proved invaluable,

Indisposition to Exertion, Wakefulness, Uneasi ness, Depression of Spirits, Trembling, Loss of Power, Pain in the Back, Alternate

Chills and Slushing of Heart, Dragging Sensation in the Lower Part of the Body, Headache, Langour, Aching along the Thighs. Intolerance of Light and Sound, Pale Counte-

Derangement of the Stomach and Bowels, Difficult Breathing, Hysteria, &c., &c.

It is a specific remedy in all Uterine Diseases, Chlerosis or Green Sickness, Irregularity, Pain-fulness, Profuse or Suppression of Customary Dis-charges, Leuchoræa or Whites, Schirrus or Ul-cerated State of the Uterus, Sterility, &c.

No better Tonic can possibly be put up than this, and none less likely to do harm, as it is com-posed wholly of valuable agents, and such as we have known to be valuable, and have used for many years. PRICE, 75 CENTS PER BOTTLE.
